FORM 2

MAY 1, 1916.

ENUMERATION FOR SCHOOL PURPOSES.

Highland { Township, Town or City, } Lake County, Indiana.

By Richard Hook Trustee.

(ALL ENUMERATORS MUST BE PAID BY THE DAY.)

☞ READ CAREFULLY THE NOTES AND REMARKS BELOW BEFORE TAKING THE ENUMERATION.

NOTES.

NOTE 1. This report must be made to the County Superintendent on or before the first day of May, 1916, and a duplicate copy should be retained by each School Trustee.

NOTE 2. The law requires the enumeration to be taken between the 10th day of April and the 30th day of same month each year.

NOTE 3. After recording the names and enumeration of white persons, begin the list of colored persons on a separate page, writing at the head of the column, "Colored Persons."

NOTE 4. WHO INCLUDED IN THE ENUMERATION.

(a) In making the enumeration, the Trustee, or person so employed, shall distinguish between the white and colored children, enumerating them in separate lists, and shall list the names of parents, guardians, heads of families, or persons having charge of such child or children, male and female, shall list the full name and give the exact age and the sex of each child so enumerated, and shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, who shall certify to the correctness of the same under oath.

(b) He shall include in such list all unmarried persons between the ages of six and twenty-one years, whose parents, guardians, heads of families or persons having charge of such child or children are *actual residents of the corporation.*

(c) He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves, and not under charge of parents, guardians or heads of families, *and shall so designate such persons in a separate list*, giving in cities the street and number of the residence of such persons.

(d) He shall enumerate no one who is not reported to him personally and properly certified to as herein provided, except in the case of minors who are dependent upon no one and not members of any family who may be reported as herein provided. PROVIDED, that if any parent, guardian, head of family, or person having charge of any child, shall be absent, the enumerator shall ascertain the facts required from other reliable sources and sign his own name to certificate herein required; and in case any parent, guardian, head of family, or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, *and upon conviction shall be fined not less than one nor more than ten dollars.*

(e) In case of omission by the enumerator of any member of a family, said omission when discovered should be added, by interlining, and with proper data, with the other members of the family. In all such cases of omission, the signatures of parents, guardians, heads of families, or persons having charge of such child or children, should be required.

(f) Minors should be listed *only* at actual places of residence.

(g) Factory lists and lists of employes in business houses should be used as a guide only in locating persons entitled to be enumerated, but under no circumstances shall persons in such lists be enumerated without personal visits to their places of residence within the city and securing proper signatures as provided by law. In case of minors dependent upon themselves and not under the charge of parents, guardians or heads of families, such minors shall determine the question of residence.

(h) Lists of employes in factories or in business houses in cities and towns should be referred to the enumerators assigned to the parts of the city or town in which such employes actually reside, where they should be enumerated. In no case should such employes be enumerated in a factory or a place of business.

(i) Persons residing in a township, town or city temporarily for the purpose of attending school or college, whose actual residence is elsewhere should not be enumerated.

(j) The enumerators in cities and towns should confine themselves to the territory assigned to them, listing all houses and following each street to its end in such territory and recording other data with reference to the houses, as to whether vacant, no children, family absent, etc.

(k) Enumerators should satisfy themselves that all children enumerated belong to families permanently residing in the township, town or city, or otherwise entitled by law to be enumerated.

NOTE 5. Be sure to make an accurate report of the columns entitled "No. of Congressional Township," and "Range of Congressional Township."

NOTE 6. A complete recapitulation must be made on last page. Don't forget to make a complete recapitulation of number of children residing in "Congressional Township," last page.

NOTE 7. In filling the column "Occupation" the enumerator should ascertain definitely what the child is doing and report the facts. If the child attends school indicate the kind of school, thus—Attends elementary public school, Attends public high school, Attends parochial school, Attends private school, Attends college, etc. If the child is regularly employed state the kind of employment, i. e., messenger boy, clerk in grocery, stenographer, farm laborer, carpenter, etc. If the child is unemployed simply state the fact.

DON'TS.

(a) Do not enumerate married people.

(b) Do not enumerate children of families that are temporary residents in the city.

(c) Do not enumerate children who are attending school in the town or city and whose parents, guardians or heads of families reside elsewhere.

(d) Do not enumerate any person born since April 30, 1910, or any person born previous to April 10, 1895.

(e) Do not enumerate employes in factories or business houses at places of business. Such employes must be listed at their places of residence and should be listed by the enumerator provided for the territory in which such persons actually reside.

The attention of school officers is called to the following provision of the law, which must be followed in every detail:

"On the first day of school the Trustees, Boards of Trustees, or Commissioners of school corporations, shall furnish the Attendance Officer with the names of the children of compulsory age who are enumerated on the regular enumeration lists. These names shall be alphabetically arranged and shall give all the information contained in the regular enumeration returns. The County Commissioners shall provide necessary postage and such blanks as may be required by the State Board of Truancy or the State Superintendent of Public Instruction."
